SMART begins free public preview rides this week

The Sonoma-Marin Area Rail Transit (SMART) District will begin its soft launch this week with free preview rides for the public, designed to offer passengers an early look at the North Bay's newest transportation system.

Based on more than a thousand responses from the public identifying what stations they will use and what days they would like to ride, SMART has developed a schedule of public preview rides. In the coming weeks, roundtrip preview rides will be offered from Rohnert Park to Marin Civic Center; Santa Rosa Downtown (Railroad Square) to Novato San Marin; Petaluma Downtown to San Rafael; and Sonoma County Airport to Petaluma Downtown.

SMART will kick-off the preview rides with three special runs this week, including preview rides in connection with the Marin County Fair.
