

Planning for the Future – Pathways

August 17, 2022

Planning for the Future

SMART House

Vision:

Smarter Transportation for a Smarter Future

SMART envisions an innovative transportation system that provides integrated mobility solutions, promotes sustainable growth, and enhances quality of life.

Mission: We Connect Communities

SMART provides safe, reliable, and environmentally responsible transportation options.

Ridership

Pathways

Extensions

Freight

Values: * Safety * Integrity * Stewardship * Continuous Improvement

Listening Sessions

Completed

- ✓ Ridership (April 6th)
 - 45 participants (excluding SMART Staff)
 - 553 survey responses
 - 35 emails

- Pathways (April 13th)
 - 60 participants (excluding SMART Staff)
 - 188 survey responses
 - 10 emails

- Extensions (April 20th)
 - 54 participants (excluding SMART Staff)
 - 203 surveys
 - 13 emails

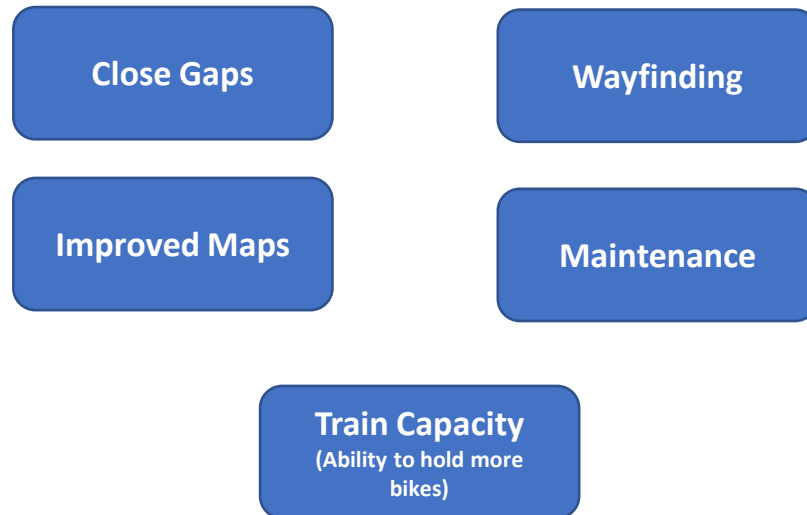

- Freight (April 27th)
 - 34 participants (excluding SMART Staff)
 - 65 survey responses
 - 1 email

Listening Session Questions - Pathways

1. What Improvements do you think should be made to existing pathways?
2. What ideas do you have to improve wayfinding on the pathways?
3. What sections of the pathway should SMART prioritize for construction?
4. What are your ideas to address bike capacity on the trains?
5. What other thoughts and ideas do you have about the Pathway?

Pathways

What Do Users Want?

What Do Pathway Users Want?

Complete, well maintained connected pathways that include clear wayfinding and are supported by pathway maps.

Pathways

What Do Pathway Users Want?

- 1 Close the Gaps
- 2 Wayfinding
- 3 Improved Maps
- 4 Pathway Maintenance
- 5 Train Capacity
(Ability to hold more bicycles)

Recent Improvements

- **Pathway Construction:** Make remaining segments “Shovel Ready”
 - Design and permitting underway
- **SMART Pathway Maps:** updating maps on website
- **Maintenance Activities:** On-going pathway maintenance
- **Wayfinding:** Planned in 2022
- **Goggle Maps:** SMART pathway links have been updated
- **Pathway User Counters:** being installed Q3 2022
- **Train Capacity:** Added 10 weekday trips and Sunday service

Potential Goals/Strategies

- Construct Funded Segments of Pathway
- Continue to Design and Permit pathways (Shovel Ready)
- Publish Updated Pathway Maps
- Develop & Implement Wayfinding Program (Markings, mile markers, station connections, etc.)

Pathway Segments Planned for Construction

PATHWAY SEGMENTS-FUNDED FOR CONSTRUCTION	2022		2023			
	Q3	Q4	Q1	Q2	Q3	Q4
Payran St to Lakeville St (Petaluma)						
Design and Environmental Permitting	█					
Construction		█				
Southpoint Blvd to Main St (Petaluma - Penngrove)						
Design and Environmental Permitting	█	█				
Construction				█	█	
Golf Course Dr to Bellevue Ave (Rohnert Park - Santa Rosa)						
Design and Environmental Permitting	█	█				
Construction				█	█	
Joe Rodota Trail to W 3rd St (Santa Rosa)						
Design	█	█	█			
Construction				█	█	
McInnis Pkwy to Smith Ranch Rd (San Rafael)						
Design and Environmental Permitting	█	█	█	█		
Construction						█
