Sonoma-Marin Area Rail Transit (SMART) is the North Bay’s passenger rail service providing a safe, reliable and congestion-free transportation option for Marin and Sonoma counties. The current 45-mile system includes stations in the Sonoma County Airport area, Santa Rosa, Rohnert Park, Cotati, Petaluma, Novato, San Rafael, and Larkspur. SMART’s system also includes a bicycle and pedestrian pathway along the rail corridor.

Future extensions are planned for Windsor, Healdsburg and Cloverdale. The full Sonoma-Marin corridor project will provide 70 miles of passenger rail service and a bicycle-pedestrian pathway, connecting people with jobs, schools, retail hubs and housing.

Larkspur Station is the southernmost station in SMART’s rail network, providing a vital link to the communities in Southern Marin County.
Message from the Chair

The Fiscal Year 2021/2022 marked a period of recovery and growth for SMART. In November 2021, Eddy Cumins joined us as the new General Manager, collaborating with the Board of Directors to create SMART’s inaugural vision and mission statement. Our focus on enhancing the customer experience led to an increased weekday service to 36 trips per day, reintroduced Sunday service, and eliminated parking fees at all SMART-owned park-n-ride facilities.

Moreover, SMART took over ownership and operations for freight services, successfully commencing operations in March 2022, serving to three clients in Petaluma. As the pandemic restrictions eased, we ramped up our outreach efforts, from participating in fairs and festivals to educating the public on train safety.

Looking ahead, SMART is committed to building on our successes and continuing to provide reliable, safe, and sustainable transportation solutions for our community.

May we keep moving forward together!
SMART is governed by a 12-member Board consisting of elected and appointed officials as specified in AB 2224. Members serve staggered 4-year terms.

FY 2022 SMART BOARD OF DIRECTORS

David Rabbitt, Chair
Sonoma County Board of Supervisors
Barbara Pahre, Vice Chair
Golden Gate Bridge, Highway/Transportation District
Judy Arnold
Marin County Board of Supervisors
Melanie Bagby
Sonoma County Mayors’ and Councilmembers Association
Kate Colin
Transportation Authority of Marin
Damon Connolly
Marin County Board of Supervisors
Chris Coursey
Sonoma County Board of Supervisors
Debora Fudge
Sonoma County Mayors’ and Councilmembers Association
Patty Garbarino
Golden Gate Bridge, Highway/Transportation District
Dan Hillmer
Marin County Council of Mayors and Councilmembers
Eric Lucan
Transportation Authority of Marin
Chris Rogers
Sonoma County Mayors’ and Councilmembers Association
As required by the 2008 Expenditure Plan that accompanied Measure Q, the Board of Directors established the Citizen's Oversight Committee. Its responsibilities, as specified in both the 2008 and 2020 Expenditure Plans, involve evaluating and contributing to SMART’s Strategic Plans. The Board of Directors determines the composition and obligations of the committee, including its membership, duties, and terms, which it approves.

SMART’s General Manager, Eddy Cumins, joined the team on November 30, 2021. Before joining SMART, Cumins served as Chief Operating Officer for the Utah Transit Authority (UTA). After a 20-year military career in the United States Air Force, he began his career at UTA. During his distinguished time in the Air Force, Eddy served in various positions throughout California, Alaska, Portugal, Utah, and Japan. Eddy holds a Master of Science Degree in Organizational Leadership from Colorado State University and a Bachelor of Science Degree in Human Resource Development from Southwestern College. “This is a terrific hire for SMART,” said Dave Rabbitt, Chair of the SMART Board of Directors.

MESSAGE FROM THE GENERAL MANAGER

I’m really excited to be a part of the SMART team and use my experience in transit operations to lead the organization towards success.

Our biggest challenge right now is getting people to ride the train again after the pandemic. Since many people are still working from home, we need to come up with new and creative ideas to encourage them to use our services.

My top priorities include improving transportation in Sonoma and Marin counties, strengthening SMART’s relationship with the local community and other transit partners, and making sure SMART works well with other types of transportation.

In 2023, I’ll be working hard to get funding for our plans to expand and find new ways to get more people on board.
Values

VISION

Smarter Transportation for a Smarter Tomorrow. SMART envisions an innovative transportation system that provides integrated mobility solutions, promotes sustainable growth, and enhances quality of life.

MISSION

We Connect Communities. SMART provides safe, reliable, and environmentally responsible transportation options.

VALUES

Safety, Integrity, Stewardship, & Continuous Improvement.
PLANNING FOR THE FUTURE

SMART has taken important steps to prepare for its future by developing a Mission, Vision, Objectives, and values. In April of 2022, SMART held four Strategic Planning Listening Sessions to determine how to move forward. During these sessions, participants discussed key topics like ridership, pathways, extensions, and freight. SMART gathered feedback from over 1000 survey responses and 60 emails, and close to 200 members of the public attended the sessions.
As the world continues to emerge from the pandemic, SMART has been committed to improving the customer experience by restoring services that were previously suspended. With safety measures in place, we have been working tirelessly to bring back the full range of transportation options that our riders have come to rely on.

03.16.22
The SMART Board approved free parking in all the SMART owned park & ride lots.

05.01.22
Sunday service was restored. SMART added two more trips per day on Saturday and Sundays.

05.01.22
Real-Time information regarding SMART trains is now available on Google Maps.
Enhancing the Customer Experience

06.13.22
Ten additional trips were added during the weekday for a total of 36 weekday trips.

06.04.22
The Muir Woods shuttle pickup location was moved to the Larkspur Ferry Terminal. The new location provides much easier access for SMART riders.

06.12.22 & 06.26.22
Added Giant’s game service.
The financial management practices at SMART ensure the financial viability and health of the organization which allows us to provide the transportation services for the residents of Marin and Sonoma Counties.

The financial information presented is divided into passenger rail and freight rail.
Passenger Rail

Total revenues for FY 2022 were $70.7 million. Revenues were higher than anticipated by $3.7 million (approximately 6%) of which $3.1 million was due to higher than anticipated sales and use tax revenue.

Expenditures were lower than budgeted due to vacancy savings and overall lower expenditure patterns.

EXPENSES

LABOR
Wages $15,301,621
Fringe Benefits $4,821,489
Total Labor $20,123,110

NON-LABOR
Service & Supplies $9,267,501
Capital Expenses $3,636,472
Total Non-Labor $12,903,973

Total $33,027,083
Debt Service $14,958,269
Total Expenditures $47,985,352
Fund Balance Increase $22,718,257
Total $70,703,609

REVENUES

Operating Revenues
Passenger Fares $1,283,111
Other Operating Revenue $813,274
Total Operating Revenue $2,096,385

Non-Operating Revenues
Sales & Use Tax $49,074,830
State Operating Assistance $8,069,751
Federal Operating Assistance $10,751,080
Miscellaneous Revenues $56,141
Other Governmental Revenues $227,187
Interest Earned $428,235
Total Non-Operating Revenues $68,607,224
Total Revenues $70,703,609
Diesel Multiple Units ((DMUs) parked at the Regional Operations Center (ROC) located at 1130 Airport Boulevard, Santa Rosa, California.
In October 2021, the SMART Board of Directors made a significant milestone by adopting SMART’s inaugural Short-Range Transit Plan (SRTP). The SRTP sets forth a comprehensive blueprint that outlines SMART’s strategic vision and objectives for the next eight years, spanning from July 1, 2021, through June 30, 2029.

To effectively execute their planning and programming responsibilities, Metropolitan Transportation Commission (MTC) requires that each transit operator in its region which received federal funding prepare, adopt, and submit to MTC a Short-Range Transit Plan. The document serves as a management and policy document which assess the financial capacity to carry out proposed levels of operations and the associated capital improvements.

The SRTP is the first one that SMART has prepared and covers the period of Fiscal Year 2022 – Fiscal Year 2029. The SRTP was based on Capital Plan that was adopted in April 2021.

Overall, the adoption of SMART’s first SRTP marks an important step forward in the agency’s evolution, providing a clear direction and a framework for success in the years to come.

A copy of the plan can be found on SMART’s website at https://sonomamarintrain.org/financial-documents.
SMART started operating Freight service for the first time on March 1, 2022. Sixteen cars were moved for three customers. Service was operated by a third-party while SMART went through the recruitment and hiring process for new freight employees. In-house operations began on July 1, 2022.

Total revenues for FY 2022 were $5.5 million with 89% of the funds coming from a state grant that was used primarily for the purchase of freight rights from the NWPCo.
**EXPENSES**

**LABOR**
- Wages: $30,110
- Fringe Benefits: $12,318
- Total Labor: $42,428

**NON-LABOR**
- Service & Supplies: $699,443
- Capital Expenses: $4,000,000
- Total Non-Labor: $4,699,443

Total Expenditures: $4,741,871
Fund Balance Increase: $769,334
Total: $5,511,205

**REVENUES**

**Operating Revenues**
- Freight Movement Fees: $295,433
- Other Operating Revenue: $335,734
- Total Operating Revenue: $631,167

**Non-Operating Revenues**
- State Operating Assistance: $4,879,561
- Interest Earned: $477
- Total Non-Operating Revenues: $4,880,038

Total Revenues: $5,511,205
In 2021-2022, SMART has been actively engaged in outreach work to promote its passenger service. The year started with the celebration of the fourth year of SMART passenger service on August 25, 2021.
Outreach

1st in-person event
Novato Festival of Art, Wine & Music

Participated in May Madness

6th Annual Holiday Toy Drive

Visited with people 700

Butter & Eggs Parade
750 booth visitors
Projects - Extensions

Construction was suspended on the extension of the rail line between the Sonoma County Airport Station and Windsor. Regional Measure 3 (RM3) Bridge Toll funding has not been able to be distributed due to a lawsuit filed against the Metropolitan Transportation Commission (MTC). In October of 2020, the State Supreme Court agreed to hear the appeal case, which will continue to delay the funding until the outcome is determined by the court. SMART continues to pursue additional funding sources to complete this work.
PATHWAYS

In February 2022, SMART awarded a design contract to BKF Engineers for engineering design and permitting to prepare construction and environmental permit documents for seven sections of Non-Motorized Pathway (NMP) in Sonoma County, a total of approximately seven miles for $2,555,592.

The seven sections of pathway within this contract include the following:

1. McInnis Parkway to Smith Ranch Road in San Rafael
2. Main Street to Railroad Avenue in Sonoma County
3. Joe Rodota Trail to 3rd Street in Santa Rosa
4. Santa Rosa Downtown Station to 6th Street in Santa Rosa
5. Guerneville Road to West Steele Lane in Santa Rosa
6. West Steele Lane to San Miguel Road in Santa Rosa
7. San Miguel Road to Airport Boulevard in Sonoma County
PATHWAYS

In March 2022, SMART awarded a design contract to CSW Stuber- Stroeh Engineering Group, Inc. (CSW|ST2) for engineering design and permitting to prepare construction and environmental permit documents for five sections of Non-Motorized Pathway (NMP) in Marin County, a total of approximately six miles for $2,466,130.

The five sections of pathway within this contract include the following:

- **1** Smith Ranch Road to Main Gate Road/Novato Hamilton Station
- **2** State Access Road to Bay Trail
- **3** Hannah Ranch Road to south side of Novato Creek
- **4** Grant Avenue to Olive Avenue
- **5** Olive Avenue to Rush Creek Place
