Sonoma-Marin Area Rail Transit Board of Directors 5401 Old Redwood Highway, Suite 200 Petaluma, CA 94954,

**SUBJECT**: Elections of Chairperson and Vice-Chairperson

**Dear Board Members:** 

RECOMMENDATION:

Elect Chairperson and Vice-Chairperson for a two-year term.

**SUMMARY:** 

SMART's Bylaws provide for the SMART Board to elect a Chairperson and a Vice-Chairperson from its 12 Board members. The Chairperson and Vice-Chairperson may be first nominated by any member of the SMART Board and thereafter elected by a majority vote.

Prior practice by the SMART Board has been to rotate the Chairperson between Marin and Sonoma County Board Members. Currently Chair Lucan, a Marin County Board member, holds the Chair position. Chair Lucan's term is set to expire at the conclusion of this meeting provided the SMART Board has elected a new Chair and Vice Chairperson. The newly elected Chairperson and Vice-Chairperson will then assume their new roles as Chair and Vice Chair for a period of two (2) years.

Very truly yours,

/s/

Eddy Cumins General Manager

# BOARD OF DIRECTORS REGULAR MEETING MINUTES January 15, 2025 – 1:30 PM

5401 Old Redwood Highway, 1<sup>st</sup> Floor Petaluma, CA 94954

# 1. Call to Order

Chair Lucan called the meeting to order at 1:30pm. Directors Colin, Coursey, Farac, Fudge, Pahre, Paulson, Rabbitt, Sackett and Vice Chair Bagby were present. Director Garbarino arrived later.

2. Approval of the December 18, 2024, Board Meeting

**MOTION:** Director Coursey moved approval of the December 18, 2024, Board Meeting Minutes as presented. Director Farac second. The motion carried 10-0 (Director Garbarino arrived later)

Director Garbarino arrived 1:33pm.

# 3. Board Members Announcements

Director Rabbitt stated that the Petaluma North station grand opening event was great and thanked staff for all the work. He also experienced a train ride south with his sister and family and stopped in San Rafael and enjoyed New Year's Eve at an Irish Bar. He announced that there is one more vote needed for the Cloverdale Extension to be included in the 2050 Plan Bay Area.

Chair Lucan stated that it has been wonderful to have Director Rabbitt as an advocate for SMART on the Metropolitan Transportation Commission. He also thanked SMART staff for all the work behind the scenes of the Petaluma North Station grand opening. He announced the Grand Opening of the SMART pathway from McInnis to Smith Ranch Road will be held on January 25, 2025, at 11am.

General Manager Cumins announced the leaving of the following Board members.

- Director Rachel Farac who served on the SMART Board of Directors from 2023 to 2025. Representing Novato as a member of the Novato City Council and Transportation Authority of Marin. Her commitment to advancing sustainable and effective transportation solutions. We are thankful for her contributions to SMART.
- Director Melanie Bagby who served on the SMART Board of Directors from 2021 to 2025. She has served as the Board Vice Chair for the past 2-years. She has been a tireless advocate for public transit and for expanding the region's network of bicycle facilities. Her unwavering commitment to transportation alternatives has helped create greater access to jobs, education, healthcare, and

- opportunity for countless individuals across our community. We are grateful for her many contributions and wish her the very best in her future endeavors.
- Director Debora Fudge served a remarkable 20 years of service on the SMART Board of Directors. From the very beginning of the SMART project, she has been a driving force. She played a pivotal role as part of the delegation that visited train manufacturing plants and helped select the DMUs that SMART riders enjoy every day. Her contributions to countless SMART projects have left a legacy, both within this agency and in the hearts of the staff. Her dedication to extending the train northward to Windsor, Healdsburg, and Cloverdale demonstrates her unwavering commitment to creating sustainable transportation solutions. With her life's work focused on greenbelts, transit-oriented development, and commuter rail service, she has profoundly shaped the future of Sonoma County. We wish her every success in her new and future endeavors.

#### Comments

Director Coursey stated that it has been a pleasure to serve with all of you. He shared various experiences of Director Fudge over the years.

Director Rabbitt stated that it has been a pleasure to serve on the same Board. He is said that they all should be very proud of the service and the marks they have left on the community. He wished them all the best.

Director Pahre thanked them for their service and provided history of each of the farewell Board members.

Director Farac stated that as a newcomer she had a very positive experience and there is respect among all the Board members and believes in the mission of SMART. Also having a strong foundation is what makes the Board successful.

Vice Chair Bagby stated she plans on attending the McInnis to Smith Ranch Road pathway on January 25<sup>th</sup>. She thanked all her colleagues especially Director Fudge who has been a long-time friend. SMART has been a life changing experience for a lot of people.

Director Fudge stated that 20 years have gone by so quickly. She remembers the tough years of SMART and how the Board became one and pulled in the same direction. The SMART past and present staff have been amazing and working hard to provide an alternative form of transportation. She acknowledged Nina West, the first employee of SMART, who gave her flowers, and the trains are Charles McGlashan green in memory of him. She will be attending and plans to speak at the grand opening of the Windsor Extension Project.

Chair Lucan stated that once you are part of the SMART family, it will be expected to see you all at many of the future ribbon cutting and grand openings.

#### Comments

Director Sackett stated that our transit partners (Marin Transit and Transportation Authority of Marin) were excited to attend the event. She suggested including a year on the slide for the 1 million.

Director Garbarino stated that it was a magnificent day. Also, it was wonderful to see the staff around the sign to take a picture to remember the hard work.

Vice-Chair Bagby said that it was excited to ride the train to the event and spend the day.

Director Rabbitt thanked Chair Lucan for his opening remarks that set the celebratory tone for the event. Peoples positive attitude for SMART is due to the services and the incredible staff.

Chair Lucan stated that it was great to see many individuals take the train from various stations, including some attendees from Sacramento who got on the Hamilton Station.

5. Public Comment on Non-Agenda Items

Eris Weaver stated that she would like to participate in the ribbon cutting for the pathway and her friend at Caz Brewery near the Cotati Stations are also interested in participating. She appreciates the wayfinding signs on the pathway and the electronic signs at the station have been helpful. However, the electronic signs are hard to see when its dark.

#### 6. Consent

- a. Accept Monthly Ridership Report December 2024
- b. Approve Monthly Financial Status Report November 2024
- c. Authorize the General Manager to Execute Contract Amendment No. 3 to Contract No. OP-SV-20-007 with Nick Barbieri Trucking, LLC DBA Redwood Coast Fuels - North Bay Petroleum in an amount no-to-exceed \$1,500,000

Chair Lucan asked for Board and public comments on the proposed Consent Agenda.

**MOTION:** Director Garbarino moved approval of Consent Agenda as presented. Director Rabbitt second. The motion carried 11-0

7. Establish an Ad Hoc Committee to Review Citizens Oversight Committee Applications and Recommend Appointments – *Presented by General Manager Cumins* 

General Manager Cumins stated that initial COC appointments had staggered terms, spanning 1, 2, and 3 years. Four COC appointments are available. Three appointments shall be for a 3-year term and one appointment will fill a vacancy and complete the appointed term to 2026. SMART is advertising the positions until February 3, 2025. Staff requested the establishment of an Ad Hoc committee to review and recommend appointments. The next steps would involve presenting these recommendations to the Board.

Chair Lucan proposed five volunteers to be appointed to the Ad Hoc committee to review applications. The members are Directors Colin, Coursey, Garbarino, Paulson and Sackett.

**MOTION:** Director Pahre moved to Approve the Established Ad Hoc Committee to Review Citizens Oversight Committee Applications and Recommend Appointments. Director Rabbitt second. The motion carried 11-0.

8. Authorize the General Manager to Execute Contract No. OP-SV-24-016 with Quality Sprayers, Inc for Vegetation Control Services on SMART's Right-of-Way in an amount not-to-exceed \$413,813 for a three-year contract with provisions for two (2) optional one-year extensions – *Presented by Chief Operations Officer, Marc Bader* 

Chief Operations Officer, Marc Bader stated that the contract presented today is for the annual application of pre-emergent herbicide for vegetation control on SMART's passenger and freight rights-of-way. This service, and the timing of the work, are a critical component to the success of SMART's vegetation management program. Without an effective pre-emergent program, SMART would have to employ more invasive measures to remove growth from the track structure and in the operating envelope.

SMART is required by the Federal Railroad Administration and California Public Utilities Commission to maintain a vegetation free track bed to allow proper inspections. SMART has utilized contractors with specialized equipment to perform this service since 2017.

Quality Sprayers is contractually obligated to comply with all Federal, state, and local environmental laws and regulations in its work and shall perform all such work in an environmentally protective manner. They are further contractually responsible for all-environmental permits, registrations, reports, taxes and plans required or necessary for performance of its obligations under this Agreement. Quality Sprayers will also supply a written herbicide recommendation written by a licensed Pest Control Advisor (PCA) to SMART prior to commencing work.

SMART issued a Request for Proposal and received two responsive proposals. The proposals received were evaluated by staff who determined Quality Sprayers, LLC was the lowest responsive, responsible bidder. The contract has a three-year term with a not to exceed amount of \$413,813. There is also a provision for two optional 1-year extensions.

Staff recommends authorizing the General Manager to execute Contact No. OP-SV-24-016 with Quality Sprayers, LLC. in an amount not to exceed \$413,813.

#### Comments

Director Fudge asked if roundup would be used as a pre-emergent chemical. Mr. Bader responded no.

Director Paulson asked for clarification of any additional type of chemicals beyond roundup. Mr. Bader responded that once SMART received their herbicide recommendations it will be evaluated. They are responsible for complying with Local, State and Federal environmental regulations regarding spraying herbicides in a right-of-way.

Director Colin stated that there are a variety of herbicide products available. Marin County and the City of San Rafael have restrictions of the type of herbicides that can be used. Using goats and hand pulling can cost more, however using the least amount of herbicides sprayed as possible is better for the climate. Mr. Bader responded that there are some local restrictions on the type of herbicides applied. SMART has an integrated Pest Management Plan, which list acceptable allowable herbicides to be used on the right-of-way. Unfortunately, in this scenario on the active operating envelope, goats

aren't a good option for that. We have used goats in the past on some hillsides and other areas that are away from the active tracks.

Director Garbarino stated that proper disposal of the residual is important. Mr. Bader responded that they are responsible to comply with all the regulations for disposal of the empty containers and any residual.

Director Fudge stated that the Town of Windsor banned roundup in public parks and spaces.

Director Sackett asked for a copy of the Pest Management Plan.

**MOTION:** Director Rabbitt moved to Authorize the General Manager to Execute Contract No. OP-SV-24-016 with Quality Sprayers, Inc for Vegetation Control Services on SMART's Right-of-Way in an amount not-to-exceed \$413,813 for a three-year contract with provisions for two (2) optional one-year extensions as presented. Director Paulson second. The motion carried 11-0

Chair Lucan adjourned the Board to Closed Session at 2:30pm on the following:

9. Closed Session - Conference with Board of Directors regarding labor negotiations General Manager – Pursuant to California Government Code Section 54957.6

Agency Designated Representative – Board of Directors' Chair

**SUBJECT:** Monthly Ridership Report – January 2025

**Dear Board Members:** 

**RECOMMENDATIONS:** Accept Monthly Ridership Report – January 2025

#### **SUMMARY:**

We are presenting the monthly ridership report for activity for the month of January 2025. This report shows trends in ridership for SMART by tracking Total riders Average Weekday riders, and Average Saturday riders, Average Sunday/Holiday riders, as well as bicycles and mobility devices on board the trains. The report also includes total users counted on the SMART Pathway for the month, and total riders on the SMART Connect shuttles.

With the transition to the Automatic Passenger Counter (APC) in October 2022, SMART has a highly accurate method of tracking boardings and alightings at stations that does not depend on manual counts by the conductors. The APC system has been tested and validated at a 99% accuracy level and has been certified for passenger count use by the Federal Transit Administration (FTA). Both APC-based ridership and fare-based collection rider counts are shown in the attached report to give a full picture of ridership. APC-based ridership captures all riders, including riders with passes who neglect to tag on or off, riders who fail to activate their mobile app tickets, as well as categories of riders such as children under five years old.

This report compares the most recent month to the same month during the prior year, as is standard industry practice for tracking trends over time. These reports also note relevant details associated with fare program discount usage and trends in riders bringing bicycles onboard as well as riders who use mobility devices.

SMART's ridership data through January 2025 is posted on the SMART website (https://sonomamarintrain.org/RidershipReports).

Attachment(s): Monthly Ridership Report – January 2025

# **JANUARY 2025 SMART RIDERSHIP REPORT**

January 2025 saw an increase over last month in total ridership, with average weekday ridership at 3,486, up 3% from December. Average Saturday and Sunday ridership increased by 1% and decreased by 4%, respectively, from the previous month. Total monthly ridership was 92,492, 40% over January 2024 and 29% over January 2019 (pre-COVID). Average Saturday ridership for January 2025 reached 86% over January 2024, and average Sunday ridership was 31% over January 2024.

As a reminder, SMART modified services in March 2020 due to the COVID-19 pandemic, with weekend service annulled and weekday service reduced to 16 trips. In May 2021, SMART added back 10 weekday trips. Saturday service was restored in May 2021, and Sunday service in May 2022. In June 2022, SMART added 10 additional weekday trips, and in October 2022, SMART added 2 additional midday trips, for a schedule of 38 trips per weekday. In May 2023, SMART added two evening trips on Friday and Saturday, known as the Starlighter. In October 2023, SMART suspended the Starlighter service but increased weekend service, running 16 trips total on both Saturday and Sunday. In August 2024, SMART added two additional round trips for a total of 42 trips each weekday.

The tables below present data for January 2024 and 2025 year-over-year, and the Fiscal Year to date (July-January). Ridership for the fiscal year to date (FY25) is tracking 30% over the same time period for FY24.

MONTHLY TOTALS YEAR-OVER-YEAR	JANUARY 2024	JANUARY 2025	% Change
Ridership	65,990	92,492	40%

# JANUARY 2025 SMART RIDERSHIP REPORT

# **SMART Connect Program**

SMART currently operates two on-demand shuttles, SMART Connect Airport and SMART Connect Larkspur. SMART Connect Airport, launched in June 2023, serves the SMART Sonoma County Airport station, the Charles M. Schultz Sonoma County Airport, and the surrounding area. SMART Connect Larkspur, launched in June 2024, serves the SMART Larkspur station, the Golden Gate Larkspur Ferry Terminal, and the surrounding Larkspur Landing area. The goal of the SMART Connect program is to facilitate first-and-last mile connections from SMART stations through the provision of a reliable on-demand shuttle that SMART riders can use for transit transfers, work and school commutes, and other destinations. SMART Connect uses microtransit software from The Routing Company called Ride Pingo, which allows users to pre-book trips or book a ride ondemand. Riders can also book by phone or walk-on, space available.

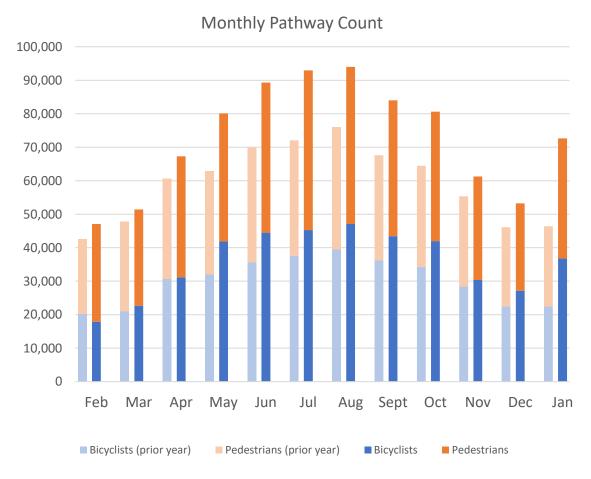

Total January monthly ridership for the SMART Connect program was 1,143 riders.

# **SMART Pathway**

In January, SMART began counting trips along the new pathway segment between McInnis Parkway and Smith Ranch Road in San Rafael. With the addition of this new counter, SMART has installed 11 counters on the Pathway, with six in Marin County and five in Sonoma County. The counters differentiate between bicycles and pedestrians, and track data by time of day and day of the week. The counters cannot distinguish between unique users, but based on the estimated average trip length of 3 miles, and the average spacing between counters of 4.6 miles, the counts are considered an accurate estimate of monthly pathway usage. As additional pathway segments are constructed, counters will be placed on those segments to measure pathway usage. To date, count data has shown a fairly even split between pedestrians and bicyclists.

In January 2025, SMART counted 72,650 users on the pathway, an increase of 56% over the prior year. This is the largest year over year increase observed for any month since SMART began counting users on the Pathway. While SMART did add an additional count site during this period, only 9% of the increase is due to the inclusion of the counts along the new Pathway segment.

**SUBJECT:** Monthly Financial Status

**Dear Board Members:** 

**RECOMMENDATION:** Approve Monthly Financial Report

**SUMMARY:** 

This report provides information for the first (6) six months of Fiscal Year (FY) 2025. This information includes the Board Adopted Budget and Budget Amendment #9.

Budgeted revenues and actual expenditures for both passenger rail and freight are provided in separate charts in the attached document. The actual column reflects revenues and expenditures for the first half of FY 2025 (July – December). In addition, for passenger rail, we have shown more detail regarding sales tax and fare revenues to show current and comparative information over the last five years (FY 2021 – FY 2025). Both sales tax revenues and fare revenues are consistent with forecasted revenues for the first six months of the fiscal year. We are expecting to meet our forecasted revenues for both.

Information on the approved budget, actual expenditures, and remaining budget have been provided. Please keep in mind that expenditures do not always occur on a straight-line basis, many large expenditures such as debt service only occur on specific intervals.

We have also included information regarding SMART's investment policy, where our funds are being held, and how much is currently being held. In addition, we have shown the current obligations, reserves, and fund balance requirements for FY 2025.

Sincerely,
/s/
Heather McKillop
Chief Financial Officer

# **INVESTMENTS**

Investments are guided by the SMART investment policy adopted each year with the budget. The policy outlines the guidelines and practices to be used in effectively managing SMART's available cash and investment portfolio. District funds that are not required for immediate cash requirements are to be invested in compliance with the California Code Section 53600, et seq.

SMART uses the Bank of Marin for day-to-day cash requirements and for longer term investments the Sonoma County Treasury Pool is used. This chart reflects a point in time versus a projection of future fund availability.

Sonoma-Marin Area Rail Transit Board of Directors 5401 Old Redwood Highway, Suite 200 Petaluma, CA 94954

**SUBJECT:** Citizens Oversight Committee – Five (5) Appointments

Dear Board Members:

**RECOMMENDATIONS:** Approve Appointments to the Citizens Oversight Committee (COC)

# **SUMMARY:**

On January 6, 2025, staff posted the application on the SMART website and advertised five upcoming positions via a press release, email blast, and social media. SMART accepted applications through February 3, 2025.

On January 15, 2025, the Board established an Ad Hoc Committee to review applications and recommend appointments to the COC. The Ad Hoc committee consisted of the following: Directors Colin, Coursey, Garbarino, Paulson and Sackett.

The Ad Hoc Committee met on February 7, 2025, to review 17 applications. They recommended the following applicant:

- 1. Reyes Diaz, Jefferson, Marin County (fulfill term to 2027)
- 2. Johnson, Richard Greggory, Sonoma County (fulfill term to 2026)
- 3. Sheehan- Meyer, Dani, Sonoma County (re-appointed 3-year term)
- 4. Larrabure, Matthew, Sonoma County (3-year term)
- 5. Mann, Emma, Sonoma County (3-year term)

Staff recommends the Board appoint these individuals to the Citizens Oversight Committee. The next COC meeting is March 26, 2025 at 1:30pm – SMART Petaluma Office, 5401 Old Redwood Highway, 1st Floor, Petaluma.

Very truly yours, /s/ Eddy Cumins General Manager

Name: Reyes Diaz, Jefferson	County: Marin

Summary of qualifications related to COC duties:

I have experience putting together and presenting deliverables, such as essays, slide presentations, and posters. I have consistently sought out public-facing roles that prompt me to be flexible in providing tailored experiences to varied audiences. I am familiar with platforms that may be used to present to the public and the SMART Board, namely Google Workspace and Microsoft 365. I am also familiar with platforms that are auxiliary to SMART, like BikeLink and Redwood Bikeshare. I have introduced several friends and family members to the system, which has exposed to more of what might be holding back folks from engaging more with SMART, whether that be a lack of experience on public transit, age-related disabilities, or not having English be one's primary language. I will attach my resume via email, as well as a link to a Google My Maps where I have been very amateurly tinkering with what it might look like to better integrate SMART and the city of Novato. I will also attach a poster I prepared in May of2024 that received a recognition award from the department of my major.

Name: Johnson, Dr. Richard Greggory

County: Sonoma

Summary of qualifications related to COC duties:

I am a Professor at University of San Francisco and was born and raised in the Bronx, New York. Dr. Johnson also directs the USF I RB/Ethics Committee. As a scholar Professor Johnson's research centers on social equity within the fields of public policy, public transportation, management, higher education, and Human Resources Management. He has been teaching in higher education for twenty-five years and is widely published with several peer-reviewed books and over two dozen peer-reviewed journal articles. Professor Johnson is a graduate of Johnson C. Smith University (Charlotte, NC) and he holds a Doctoral degree in Public Administration and Policy. He also holds three Master's degrees from Middlesex University, Georgetown University, Golden Gate University and DePaul University. He holds membership in: Phi Beta Kappa Honor Society; Pi Alpha Alpha Honor Society; Pi Gamma Mu Honor Society.

Name: Larrabure, Matthew County: Sonoma

Summary of qualifications related to COC duties:

I have been a residence of Sonoma County (born and raised and currently reside) and Marin County (lived for over 6 years and currently work in Marin County. I have been in the finance industry since 2007 with a degree in business and multiple financial professional designations. I have also been part of multiple non-profits at a board level running board meeting, reviewing financial information and collaborating with stakeholders to ensure the organization continues with its mission.

# CITIZENS OVERSIGHT COMMITTEE Recommended Applicants Summary

Name: Mann, Emma County: Sonoma

Summary of qualifications related to COC duties:

I bring over 20 years of experience as a marketing professional in the natural products sector, combined with formal education in intermodalism and commercial transportation. As a local business owner in downtown Penngrove, situated along the train commute, I have a unique perspective on the intersection of SMART's initiatives and community needs. By leveraging my professional expertise, educational background, and active role as a community member, I can contribute valuable insights to foster collaboration between SMART and the local community, ensuring the achievement of mutually beneficial objectives.

Name: Sheehan-Meyer, Dani County: Sonoma

Summary of qualifications related to COC duties:

Currently Chair of COC. As a longtime proponent of public infrastructure projects, I have attended many public meetings following the decisions and budget presentations to the SMART Board of Directors since 2018. I am very familiar with the staff and their directives and accomplishments. This is an exciting time to take a committed role in the success of SMART's efforts to date, representing transparency and advocacy. I am also a long time, albeit past, resident of Marin and I recognize the challenges SMART will face when they must go back to the voters. I feel that I already hold good relationships with most current COG members, staff and the Board of Directors of SMART. My term as a member of the 2022-2024 COG was engaging and I appreciate the work of my fellow COG members. I served as chair for my two years as well, which included supervising the meetings and reporting to the SMART board of directors at least two times each year. Our recommendations were made by unanimous decision after presentations from staff.

SUBJECT: First Amendment to Personal Service Agreement Contract for the

General Manager

Dear Board Members:

### **RECOMMENDATION:**

Approve Amendment to Personal Service Agreement Contract for the General Manager.

#### **SUMMARY:**

On November 29, 2021, The SMART Board of Directors approved a Personal Service Agreement Contract for the General Manager. Over the past 3-years SMART's General Manager has performed his duties in an exemplary manner and exceed the Board's expectations. His last performance evaluation was conducted by the Board on December 18, 2024. The Board rated the General Manager's performance as outstanding and looks forward to him continuing to serve as General Manager.

The Board of Directors now desires to extend the Personal Service Agreement Contract for the position of General Manager and amend the Contract in the spirit of the original agreement to include the following:

- (1) The new term shall be for an additional 3-year period for a total of 8 years ending on November 29, 2029.
- (2) SMART's contribution match to the General Manager's 401(a) plan will increase by 1%.
- (3) In lieu of receiving medical/dental/vision benefits, the General Manager will continue to receive the equivalent benefit paid to employee directly per pay period for 24 pay periods annually.

**FISCAL IMPACT:** The additional cost of this amendment to the Fiscal Year 2025 salary and benefits budget is \$4,915.04. Future costs will be included in the Fiscal Year 2026 budget proposal.

Very truly yours,
/s/

**SUBJECT:** Budget Amendment #10 - Amends the Fiscal Year 2025 Adopted Budget for revised expenditure authority by way of the mid-year Amended Budget for Fiscal Year 2025.

**Dear Board Members:** 

#### **RECOMMENDATIONS:**

Approve Resolution No. 2025-01, amending Resolution No. 2024-19, the Fiscal Year 2025 Adopted Budget to reduce the passenger rail spending authority by \$4,773,928, increasing the overall remaining fund balance from \$53,704,928 to \$58,478,856.

#### **SUMMARY:**

The SMART Board of Directors adopted the Fiscal Year 2025 Budget in June of 2024. The halfway point of the year gives SMART managers the opportunity to reflect on the revenues and expenditures expected in this Budget Year and allows them to adjust as is needed. This action involved analyzing what projects could be accomplished during the year, as well as considering the rate of the projects underway and general spending on services and supplies. This action presents the Amended Budget for passenger rail and pathway for your consideration.

In Fiscal Year 2025, total revenues are estimated at \$123,766,634 and total expenses are estimated at \$142,988,711. This difference indicates that SMART is utilizing \$19,222,077 of fund balance in this fiscal year.

Attached is the updated Appendix A – Passenger Rail/Pathway/Shuttle. The column labeled "Amendment #10 (Amended Budget)" details the changes to the previously adopted Fiscal Year 2025 Budget, with previous budget amendments identified in earlier columns. Any Amendments numbers not detailed in this Appendix A were included in Appendix B – Freight Rail.

### **REVENUES**

Changes in the revenue amounts are recommended as described below.

#### Line 11, FRA Suicide Prevention Grant

The amount of the grant budgeted to this fiscal year is increased based on a lower amount of expenses accrued to previous fiscal years, and to bill out the remainder of the grant in the current fiscal year.

Page 35 of 40

# Line 12, Quick Strike (CMAQ) McInnis to Smith Ranch Rd

Costs attributed to materials not able to be utilized on the project had to be removed from grant funding and expensed in prior fiscal years, increasing the amount on the grant available in this fiscal year to fund the completion of the project (matched with state LPP funds so that description will be identical).

# Line 17, ATP – SoCo Pathway – CTC/Caltrans/MTC

Reconciliation of prior project costs indicated that additional project labor had been included in the previous fiscal year, and once that was corrected, there were additional funds to be budgeted in this fiscal year.

# <u>Line 21, LPP – Local Partnership Program</u>

Costs attributed to materials not able to be utilized on the project had to be removed from grant funding and expensed in prior fiscal years, increasing the amount on the grant available in this fiscal year to fund the completion of the project (matched with federal Quick Strike CMAQ funds so that description will be identical).

# Line 23, SCC – Windsor

Lower project labor costs from the previous fiscal year yielded additional funds available for inclusion in the current year budget.

# Line 33, Other Governments

A combination of the completion of the Town of Windsor's Utility Crossing Project not requiring all contingency included in the budget, and an increase in the amount for the City of Santa Rosa's Joe Rodota Trail to 3<sup>rd</sup> Street Traffic Signal Design Project in this fiscal year resulted in a slight increase to revenues.

# **EXPENSES**

Changes in the expense are recommended as described below.

# Line 52, Services and Supplies

Overall, there is a reduction in funds budgeted for services and supplies within the Operations and Administration departments.

# State of Good Repair Projects

# Line 65, DMU

This amount is increasing due to the need to purchase DMU Fiberglass Molds but is partially offset by the reduction in this year's budget for the Event Recorder Overhaul.

# Line 67, Information Technology

Additional costs to ensure that the budget exists in the current year for any additional purchasing and commissioning of projects from past fiscal years.

# Line 68, Non-Revenue Vehicles

The cost of one vehicle needed to be moved into this budget year.

# Line 70, Track, MOW, and Facilities State of Good Repair

Deferring the Guideway and Trackwork for Passenger Rail Project to the next fiscal year, while adding in a Brush Cutter Attachment for the Excavator.

# Line 73, Environmental and Mitigation

Moving the Crane Creek Riparian Monitoring project into the future fiscal year, as well as moving out some of the funds related to the Windsor Riparian Mitigation Monitoring project.

# Line 77, Other Construction

Work for other jurisdictions, related to a reduction in the budgeted amount of the Town of Windsor Utility Crossing project and an increase in the budgeted City of Santa Rosa Joe Rodota Trail to 3<sup>rd</sup> Street Traffic Signal Design Project.

# **Capital Projects**

# Line 84, Expansion

Reduction in costs related to the North McDowell Boulevard Grade Crossing Reconstruction project to align with current anticipated project expenses.

# <u>Line 85, Pathways – Design and Permitting</u>

Reduction of funds in the current year's budget related to the Marin Pathway Design and Permitting Project and the Marin-Sonoma Pathway Design and Permitting. These funds will not be spent this fiscal year.

# Line 86, Pathways - Capital

Increase in budgeted funds related to the completion of the McInnis Parkway to Smith Ranch Road Pathway Project. Also includes slight increase in funds to Joe Rodota Trail to 3<sup>rd</sup> St Pathway Design and Construction Project.

Note: There were no budget changes identified in the Freight Rail Budget needed at this time, so this Budget Amendment only applies to Passenger Rail/Pathways/Shuttles.

**FISCAL IMPACT:** Passenger rail fund balance increase in Fiscal Year 2025 of \$4,773,928 for an overall fund balance of \$58,478,856.
