SMART to kick-off free weekend rides for youth 18 and under this summer

The Sonoma-Marín Area Rail Transit (SMART) District will offer free train rides on weekends and holidays for youth 18 and under this summer. The free rides begin on Saturday, May 25, and continue through Labor Day, Monday, September 2. The summer promotion allows youth 18 and under to ride free when accompanied by a paying adult. There are no limits to the number of youth riders that an adult can bring.

In addition to the free rides, weekend and holiday parking at SMART parking lots will be free of charge during this summer promotion.

SMART currently operates along a 43-mile route in Sonoma and Marin counties, with stations in Santa Rosa, Rohnert Park, Cotati, Petaluma, Novato and San Rafael.

SMART is preparing to open its Larkspur station in late 2019, and work is underway to complete the downtown Novato station. SMART is also working on extending service north to Windsor by the end of 2021, with plans for continuing north to Healdsburg and Cloverdale.
